

PARTY LIKE A GOOD SPORT!

No-gift parties—where guests donate money to a child’s charity of choice—are a growing trend across the country. Join the movement!

Who We Are

Good Sports is a national non-profit that donates sports equipment, footwear and apparel to disadvantaged youth. We believe that all kids should have the opportunity to play and stay active. To date we have donated \$11 million worth of equipment to benefit more than 1,000,000 kids in 48 states nationwide.
